## INTRODUCING!

THE NEW SPECTRUM SBS MEMBRANES!

SPECTRUM is pleased to introduce an alternate formulation of membranes that are SBS modified. They will now be available in addition to our traditional APP modified membranes that you have come to depend on for superior and consistent quality, and value.

### ENJOY THESE BENEFITS:

- Lower melting point for quicker torch application.
- Bitumen flows easier for a more liquid application.
- Faster sealing of seams and side laps.
